How does a Department get started?

- Analyze your requirements and determine if credit card payments via the web meets your needs.
- Design and develop an E-commerce web based system (shopping cart application) that would include detailed description of goods and services, delivery method, product list in CDN dollars, refund policy, etc.
- Log onto www.mirapay.com *[1]*for more information.
- Obtain your new Internet Merchant number.
- For further information contact Dave Hargreaves at Treasury Operations.
