## Canada Post Strike

The Canada Post strike will impact some Purchasing and Payments processes and capabilities.

Purchasing Services recommends using the University PCard for items normally purchased on Low Value Purchase Orders (LVPOs). If new cards for staff are required, or increases in limits are needed to cover this change, please complete the [request](#) [1] or [change forms](#) [2] and send them to [treasury@uoguelph.ca](mailto:treasury@uoguelph.ca) [3]. Requests received during the strike will be expedited.

All payments normally made by paper cheque are being held and not sent to Canada Post, this will continue as long as the strike lasts. For further information contact [acctspay@uoguelph.ca](mailto:acctspay@uoguelph.ca) [4]
