Updated Purchasing Policy

Department: Procurement/ Payables

Purchasing Services is pleased to announce the release of the revised Purchasing Policy, effective March 1, 2026. This update reflects our ongoing commitment to transparency, accountability, and alignment with provincial directives and sector-wide best practices. The previous Policy version contained many procedural descriptions which have been removed and located in other areas of the Purchasing Services portal, mostly in the accordian tabs on the main landing page.

The new policy can be found at this link [1]. If you have questions contact the Purchasing Services HelpDesk at purchasing.helpdesk@uoguelph.ca [2]
